# SPACE CYCLONE™

## PLAY INSTRUCTIONS

- Insert coin(s)
- Select game for 1 or 2 players
- Use joystick to control your rockets and shoot down the advancing Bems.
- From the upper screen, the Bems will make nose-dive assaults one after another. Attack them. But don't get dragged in as they will fire wave guns.
- To beat high score (mystery point), destroy your enemies avoiding the enemy rocket fired from the cyclone cannon.
- Game ends when all rockets are lost.

## GAME FEATURES

Experience the thrill and excitement of "Space Fight"

You are in a beautiful aerospace—the bright screen with twinkling stars and changing colors of the shooting stars.

The Bems march forward and when 3 Bems come down to the earth, they will build a missile and fire into the space. Shoot it quickly to score mystery points.

Messages are sent during the game and the sound effect makes the game more exciting.

How long can you defend your rockets from lightnings shot by enemy cyclone guns?
